Terms and Conditions

The Company reserves the right, at our own sole discretion, to consider and approve your request upon the conditions that all required details of information and supporting documents are completely and appropriately provided to the Company. The Company may reject your request if the Company considers and believes that:-

1. The requester is not the true Data Subject as claimed or the Requester is not able to prove authority to process this request on behalf of the Data Subject.
2. Details of information provided by the requester are incomplete, ambiguous or unclear.
3. The request is unjustifiable, e.g. the requester has not legal ground to request for deletion of his/her personal data or his/her personal data is not located in the Company's system at first.
4. There are too many similar requests submitted to the Company or the said requests repeat the same details without justification.
5. The requester exercises the rights in bad faith or the request causes impact to others or the requester intends to do anything which might be unlawful or immoral.
6. The Company might not allow the requester to access to or obtain copy of personal data where it is required by the laws or a court's order, and such access and obtaining a copy of the personal data adversely affect the rights of freedoms of others, e.g. such disclosure is related to disclosure of personal data, intellectual property or trade secrets of the others.
7. Collection of personal data by the Company is for the purposes regarding freedom of expression, preparation of the historical documents, archives for public interest, research or statistics, in which the suitable measures to safeguard the Data Subject's rights and freedom, necessity to performance of a task carried out for reasons of public interest by the Company, compliance with government's assignment, or collection of sensitive personal data is necessary for the significant purpose in compliance with the laws with respect to preventive medicine or occupational medicine and other public interest pursuant to Section 26 (5) (a) and (b) of Personal Data Protection Act.
8. Collection of personal data by the Company is for the purposes to establish a right of claim under the laws, to comply with or exercise a legal right of claim or raise as defense for the legal right of claim.
9. Processing of personal data is necessary to the Company for performance of a contract between the Company and the Data Subject.
10. Processing of personal is necessary to legally protect benefits of the Company.
11. Other reasons as prescribed by Personal Data Protection Act or other laws.

In general, the Company will not charge any fees or expenses for processing your requests. However, if Company found that the submitted requests are unjustifiable or there are too excessive requests, with the same purposes or contents, and from the same requester, the Company reserves the rights, at our own discretion, to may charge the extra fees or expenses to the requester as appropriate before processing such requests. In the event, the Company rejects your request, the requester shall have the right to complain to Office of the Personal Data Protection Committee.
